## FUSION CREDIT UNION LTD

DIRECTORS' REPORT  
FOR THE YEAR ENDED 30 SEPTEMBER 2019

The Directors present their report and the financial statements for the year ended 30 September 2019.

**Principal activity and Business Review**

The principal activities of the credit union are the promotion and encouragement of regular saving and prudent borrowing by its members, as defined in the Credit Unions Act 1979.

**Results and Dividends**

The surplus for the year, after taxation, amounted to £5,651 (2018 - £11,743). In addition, there were 769 (2018 - 696) adult members with 185 (2018 - 150) members holding loans with the Credit Union.

The Directors recommend the payment of a 0.5% dividend at the year end. This will be voted upon at the Annual General Meeting.

**Directors**

The directors who served during the year are as stated below:

Janet Bamber	
Timothy Warner	
Richard Hobbs	
Ruth Gleeson	
Julie Studdard	
Maurice Keenan	-      resigned March 2019
Nicholas Kilford	-      resigned March 2019
Michelle Bongiovi	-      resigned March 2019

**Financial risk management objectives and policies**

The main financial risks arising from the Credit Union's activities are credit risk, liquidity risk and interest-rate risk. The Board reviews and agrees policies for managing each of these risks and these are summarised below:

- Credit Risk: All loan applications are assessed with reference to the Credit Union's lending policy. Changes to policy are approved by the Board.
- Interest Rate Risk: The main interest rate risk arises from differences between interest rate exposures on assets and on liabilities that form an integral part of the credit union's operations. The Credit Union considers interest rates when deciding on the dividend rates to propose on share accounts.
- Liquidity Risk: The Credit Union's policy is to maintain sufficient funds in a liquid form at all times to ensure that the Credit Union can meet its liabilities as they fall due. The objective of liquidity is to help smooth mismatches between maturing assets and liabilities and to provide a degree of protection against any unexpected developments that may arise.

These areas are outlined in greater detail in section 15 of the Notes to the Financial Statements.

#### **Statement of Directors' Responsibilities**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Credit Union legislation requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 "The Financial Reporting Standard applicable in the UK and Ireland" (United Kingdom Accounting Standards and applicable law). Under Credit Union legislation the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the credit union and of the surplus or deficit of the Credit Union for that year. In preparing these financial statements, the directors are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the credit union will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Credit Union's transactions and disclose with reasonable accuracy at any time the financial position of the Credit Union and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014 and with the Credit Union Act 1979. They are also responsible for safeguarding the assets of the Credit Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- There is no relevant audit information (information needed by the Credit Union's auditors in connection with preparing their report) of which the Credit Union's auditors are unaware, and
- The directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Credit Union's auditors are aware of that information.

This report was approved by the Board on 27/02/20, and signed on its behalf by:

Name of Director 1: RUTH CHELSON

Signature R Chelson

Name of Director 2: JANET BAMBER

Signature Janet Bamber

**REPORT OF THE INDEPENDENT AUDITOR  
TO FUSION CREDIT UNION LTD**

**OPINION**

We have audited the financial statements of Fusion Credit Union Ltd (the 'credit union') for the year ended 30 September 2019 which comprise revenue account, balance sheet, statement of changes to retained earnings, cash flow statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the credit union's affairs as at 30 September 2019 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014 and the Credit Unions Act 1979.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the credit union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances as set out in note 22 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**CONCLUSIONS RELATING TO GOING CONCERN**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Board's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Board have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Credit Union's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**OTHER INFORMATION**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Board is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

## MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained;
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we require for our audit.

## RESPONSIBILITIES OF THE BOARD

As explained more fully in the Statement of Directors' responsibilities set out on page 2, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Credit Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Credit Union or to cease operations, or have no realistic alternative but to do so.

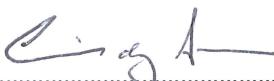

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## USE OF OUR REPORT

This report is made solely to the credit union, in accordance with section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the credit union those matters we are required to state to it in a Report of the auditor's and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the credit union, for our audit work, for this report, or for the opinions we have formed.

## FUSION CREDIT UNION LTD

### Notes to the Financial Statements for the year ended 30 September 2019

#### **1 Legal and regulatory framework**

The Credit Union is a society established under the Co-operative and Community Benefit Societies Act 2014, whose principal activity is to operate as a credit union, within the meaning of the Credit Unions Act 1979. The Credit Union has registered with the Financial Conduct Authority and is regulated by the Prudential Regulation Authority under the provisions of the Financial Services and Markets Act 2000.

In accordance with the regulatory environment for credit unions, deposits from members can be made by subscription for redeemable shares, deferred shares and interest - bearing shares. At present the Credit Union has only issued redeemable shares.

#### **2 Accounting policies**

##### **Basis of preparation**

These financial statements have been prepared in accordance with FRS 102 - the Financial Reporting Standard applicable in the UK and Ireland.

The financial statements are prepared on the historical cost basis.

##### **Going concern**

The directors of the Credit Union believe that it is appropriate to prepare the financial statements on the going concern basis. In accordance with PRA Rulebook Guidelines outlined in Section 8.5 (1), the credit union must maintain a minimum Capital-To-Total assets ratio of 3%.

	<b>2019</b>	<b>2018</b>
The relevant ratios are:-	9.46%	8.98%

##### **Income**

**Loan interest receivable and similar income:** Interest on both loans to members and loans to banks (i.e. cash and cash equivalents held on deposit with other financial institutions) is recognised using the effective interest method, and is calculated and accrued on a daily basis. Exempt interest on members loans is not recognised.

**Fees and commissions receivable:** Fees and charges either arise in connection with a specific transaction, or accrue evenly over the year. Income relating to individual transactions is recognised when the transaction is completed.

**Other income:** Other income is recognised either evenly over the period to which it relates or when the transaction is complete.

**Donations:** Donations are recognised in income when the credit union has control over them and any conditions attached with the donation are met. Where the conditions attached to donations have not been met the income is deferred on the Balance Sheet.

##### **Taxation**

The tax charge for the year reflects current tax payable. Current tax is the expected corporation tax payable for the year, using tax rates in force for the year. The Credit Union is not liable to corporation tax payable on its activities of making loans to members, and investing surplus funds, as these are not classified as a trade. However, corporation tax is payable on investment income.

As a result of the limited activities of the Credit Union from which profits are chargeable to corporation tax, it is unlikely that deferred tax will arise.

## FUSION CREDIT UNION LTD

Notes to the Financial Statements for the year ended 30 September 2019 (continued)

### 2 Accounting policies (cont.)

#### **Tangible fixed assets**

Tangible fixed assets comprises items of property, plant and equipment, which are stated at cost, less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Depreciation is provided to write off the cost of each item of property, plant and equipment, less its estimated residual value, on a straight line basis over its estimated useful life. The categories of property, plant and equipment are depreciated as follows:

Software, printer & equipment	3 years
-------------------------------	---------

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and with the Bank of England and loans and advances to banks (i.e. cash deposited with banks) with maturity of less than or equal to three months.

#### **Financial assets – loans and advances to members**

Loans to members are financial assets with fixed or determinable payments. Loans are made to members for provident or productive purposes on such security (or without security) and terms as the rules of the Credit Union provide. Loans are recognised when cash is advanced to members and measured at amortised cost using the effective interest method.

Loans are derecognised when the right to receive cash flows from the asset have expired, usually when all amounts outstanding have been repaid by the member.

#### **Impairment of financial assets**

The Credit Union assesses, at each balance sheet date, if there is objective evidence that any of its loans to members are impaired. The loans are assessed collectively in groups that share similar credit risk characteristics, because no loans are individually significant. In addition, if, during the course of the year, there is objective evidence that any individual loan is impaired, a specific loss will be recognised.

Any impairment losses are recognised in the revenue account, as the difference between the carrying value of the loan and the net present value of the expected cash flows.

#### **Financial liabilities – subscribed capital**

Members' shareholdings in the Credit Union are redeemable and therefore are classified as financial liabilities, and described as subscribed capital. They are initially recognised at the amount of cash deposited and subsequently measured at amortised cost.

#### **Employee benefits**

Defined contribution plans: The amounts charged as expenditure for the defined contribution plan are the contributions payable by the Credit Union for the relevant period.

Other employee benefits: Other short and long term employee benefits, including holiday pay, are recognised as an expense over the period they are earned.

#### **Reserves**

Retained earnings are the accumulated surpluses to date that have not been declared as dividends returnable to members.

#### **Operating lease commitments**

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

## FUSION CREDIT UNION LTD

Notes to the Financial Statements for the year ended 30 September 2019 (continued)

**3 Use of estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Directors to exercise judgement in applying the Credit Union's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below:

**Impairment losses on loans to members**

Impaired losses are stated after specifically reviewing all loans in arrears. The criteria used is whether the loan will be repaid within the term of the loan based upon the current regular pattern of repayments.

4	Loan interest receivable and similar income	2019	2018
		£	£
	Loan interest receivable from members	12,140	16,081
	Bank interest receivable from cash and liquid deposits	6,497	4,247
	<b>Total loan interest receivable and similar income</b>	<b>18,637</b>	<b>20,328</b>

**5 Interest expense**

Interest expense is the dividend paid to members for the prior year. The dividend is formally proposed by the Directors after the year end and is confirmed at the following AGM. As a result it does not represent a liability at the balance sheet date.

	2019	2018
	£	£
Interest paid during the year	2,810	2,621
Dividend rate:	0.75%	0.75%
Interest proposed, but not recognised	2,066	2,900

## FUSION CREDIT UNION LTD

Notes to the Financial Statements for the year ended 30 September 2019 (continued)

**9 Employees and employment costs**

There were no paid employees in 2017/18 or 2018/19

**9a Directors Remuneration**

The Directors of the Credit Union are all unpaid volunteers

**10 Taxation****10a Recognised in the Revenue Account**

The taxation charge for the year, based on the small profits rate of Corporation Tax of 19% (2018 19%) comprised:

	Note	2019	2018
		£	£
Current tax			
UK Corporation tax	10b	1,235	807
<b>Total current tax and total taxation expense recognised in the Revenue Account</b>		<b>1,235</b>	<b>807</b>

**10b Reconciliation of taxation expense**

The Credit Union is not liable to corporation tax payable on its activities of making loans to members, and investing surplus funds, as these are not classified as a trade. However, corporation is payable on investment income. As a result, tax charge for the year differs from the standard rate of corporation tax. The differences are explained below:

	2019	2018
	£	£
Surplus Before Taxation	6,886	12,550
Surplus before taxation multiplied by small profits rate of corporation tax in the UK of 19% (2018 19%)	1,308	2,385
Effects of:		
Non-taxable surplus on transactions with members	(73)	(1,578)
<b>Total tax charge for the year</b>	<b>1,235</b>	<b>807</b>

## FUSION CREDIT UNION LTD

Notes to the Financial Statements for the year ended 30 September 2019 (continued)

## 12c Credit risk disclosures

The credit union does not offer mortgages and as a result all loans to members are unsecured, except where there are restrictions on the extent to which borrowers may withdraw their savings whilst loans are outstanding. Loans under the Housing Option Loan scheme are secured by Lichfield District Council to prevent homelessness:

The following loans at 30th September 2019 are fully secured by Lichfield District Council: £20,297 Housing Option Loans (2018, £15,355)

The carrying amount of the loans to members represents the credit union's maximum exposure to credit risk. The following table provides information on the credit quality of loan repayments. Where loans are not impaired it is expected that the amounts repayable will be received in full.

	2019		2018	
	Amount	Proportion	Amount	Proportion
<b>Not impaired:</b>				
Neither past due nor impaired	48,918	64.37%	37,365	57.85%
Up to 3 months past due	15,472	20.36%	11,254	17.42%
Between 3 and 6 months past due	417	0.55%	0	0.00%
Between 6 and 9 months past due	2,551	3.36%	674	1.04%

## 15 Additional financial instruments disclosures

## 15a Financial risk management

The Credit Union manages its subscribed capital and loans to members so that it earns income from the margin between interest receivable and interest payable.

The main financial risks arising from the Credit Union's activities are credit risk, liquidity risk and interest rate risk. The board reviews and agrees policies for managing each of these risks, which are summarised below.

**Credit risk:** Credit risk is the risk that a borrower will default on their contractual obligations relating to repayments to the Credit Union, resulting in financial loss to the Credit Union. In order to manage the risk the Board approves the Credit Union's lending policy, and all changes to it. All loan applications are assessed with reference to the lending policy in force at the time. Subsequently loans are regularly reviewed for any factors that may indicate that the likelihood of payment has changed. The Credit Union also monitors its banking arrangements closely in light of the current banking situation.

**Liquidity risk:** The Credit Union's policy is to maintain sufficient funds in liquid form at all times to ensure that it meets its liabilities as they fall due. The objective of the Credit Union's liquidity policy is to smooth the mismatches between maturing assets and liabilities and to provide a degree of protection against any unexpected developments that may arise. Note 2 provides further details about the impact of the maturity mismatch on the going concern status of the Credit Union.

**Market risk:** Market risk is generally comprised of interest rate risk, currency risk and other price risk. The Credit Union conducts all its transactions in sterling and does not deal in derivatives or commodity markets. Therefore the Credit Union is not exposed to any form of **currency risk** or **other price risk**.

**Interest rate risk:** The Credit Union's main interest rate risk arises from differences between the interest rate exposures on the receivables and payables that form an integral part of a credit union's operations. The Credit Union considers rates of interest receivable when deciding on the dividend rate payable on subscribed capital. The Credit Union does not use interest rate options to hedge its own positions.

## FUSION CREDIT UNION LTD

Notes to the Financial Statements for the year ended 30 September 2019 (continued)

**15b Interest rate risk disclosures**

The following table shows the average interest rates applicable to relevant financial assets and financial liabilities.

Financial assets	2019		2018	
	Amount	Average Interest Rate	Amount	Average Interest Rate
	£	%	£	%
Loans to members	75,940	17.28%	64,596	19.95%
The interest rates applicable to loans to members are fixed and range from 12% to 36% per annum.				

**15c Liquidity risk disclosures**

Excluding short-term other payables, as noted on the balance sheet, the Credit Union's financial liabilities, the subscribed capital, are repayable on demand.

**15d Fair value of financial instruments**

The Credit Union does not hold any financial instruments at fair value.

16 Cash and cash equivalents	2019		2018	
	£	£	£	£
Loans and advances to banks		469,575		425,848
Less: amounts maturing after three months		(405,785)		(334,308)
<b>Total cash and cash equivalents</b>		<b>63,790</b>		<b>91,540</b>

**17 Post balance sheet events**

There are no material events after the balance sheet date to disclose.

**18 Contingent liabilities**

The Credit Union participates in the Financial Services Compensation Scheme (FSCS) and therefore has a contingent liability, which cannot be quantified, in respect of contributions to the FSCS, as required by the Financial Services and Markets Act 2000. The Financial Conduct Authority (FCA) has provided details of how the calculation of next year's contribution towards the FSCS will be calculated and full provision has been included for this liability. However this is subject to future changes in interest rates and levels of deposits held by UK deposit takers. Therefore there is inherent uncertainty regarding the totality of the levy that the Credit Union will have to pay.

**19 Related Party Transactions**

During the year 1 member of the board, volunteers or their close family members, had a loan with the Credit Union (2018 - 1 member). These loans were approved on the same basis as loans to other members of the Credit Union. None of the directors, volunteers and close family members have any preferential terms on their loans.

**20 Commitments under operating leases**

Minimum lease payments under non-cancellable operating leases fall due as follows:	2019	2018
	£	£
Within one year	3,750	3,750
Between one and five years	0	0
<b>3,750</b>	<b>3,750</b>	<b>3,750</b>

**21 Financial Commitments**

Other than the operating lease commitments the credit union does not have any financial commitments

**22 Non audit services**

In common with many other Credit Unions of our size and nature we use our auditors to prepare and submit returns to the tax authorities and assist with the preparation of the financial statements.
